Contractor Finishes 2000 Interior Latex Semi-Gloss Paint
No. 33716 – High Hide White

GENERAL DESCRIPTION
A premium quality, high hiding semi-gloss finish designed for interior walls and ceilings. Formulated for the professional; it can be sprayed and rolled with low spatter. The semi-gloss finish provides excellent touch-up properties.

PRODUCT FEATURES
- High hiding
- Superior touch-up
- Washable
- Low odor, low VOC
- Low spatter
- Easy application
- Soap and water cleanup

RECOMMENDED USES
- Drywall
- Plaster
- Masonry
- Primed wood or metal
- Previously painted surfaces

SURFACE PREPARATION

General:
Read the Lead Warning in Cautions section. Clean the surface thoroughly to remove surface contamination, mildew, stains, and rust with an appropriate cleaner. Scrape off any loose or peeling paint. Spot prime when needed. Dull glossy surfaces with light sanding.

Drywall:
Fill cracks, pits and voids with patching compound or spackle, let dry and sand smooth. Joint compounds must be cured and sanded smooth. Remove all sanding dust.

Plaster:
Allow new plaster to fully cure and harden. Surface should be free of dust.

Wood:
Sand wood smooth and patch holes and imperfections with wood filler or putty and sand smooth. Remove all sanding dust.

Block:
Masonry surfaces and mortar should be fully cured, usually 30 days. Remove any loose material or dust.

Concrete/Masonry:
New surfaces should be fully cured, usually 30 days. Remove all form release or curing agents. Surfaces should be free of loose material and dust.

Mildew:
Remove mildew or suspected mildew by scrubbing with a commercial mildew remover or a solution of 1 part liquid chlorine bleach to 3 parts water. Allow solution to remain on surface for 10 minutes. Rinse thoroughly with water and allow surface to dry completely. Take precautions to avoid contact with skin or eyes.

APPLICATION

Stir thoroughly and intermix multiple containers. Apply product at temperatures ranging from 50-90°F. Apply by brush, roller or spray application. Thinning is not recommended.

LEAD WARNING

WARNING! If you scrape, sand or remove old paint, you may release lead dust. LEAD IS TOXIC. EXPOSURE TO LEAD DUST CAN CAUSE SERIOUS ILLNESS, SUCH AS BRAIN DAMAGE, ESPECIALLY IN CHILDREN. PREGNANT WOMEN SHOULD ALSO AVOID EXPOSURE. Wear a NIOSH-approved respirator to control lead exposure. Clean up carefully with a HEPA vacuum and a wet mop. Before you start, find out how to protect yourself and your family by contacting the National Lead Information Hotline at 1-800-424-LEAD or log on to www.epa.gov/lead.

For additional safety and chronic health hazard information, refer to the Material Safety Data Sheet for this product.

This product contains less than 50 g/L VOC

CAUTIONS

WARNING! Contains Crystalline Silica. KEEP OUT OF THE REACH OF CHILDREN. May cause eye and skin irritation. USE ONLY WITH ADEQUATE VENTILATION. Avoid breathing vapors, spray mist or sanding dust. If painting indoors, open windows and doors or use other means to ensure fresh air entry during application and drying. If you experience eye watering, headache or dizziness, or if air monitoring demonstrates vapor/mist levels are above applicable limits, wear an appropriate, properly fitted respirator (NIOSH approved) during and after application. Follow respirator manufacturer’s directions for respirator use. When sanding, wear a dust mask. AVOID CONTACT WITH THE EYES AND SKIN. Wash thoroughly after use. Close container after each use. DO NOT TAKE INTERNALLY. Delayed effect from long-term exposure: Cancer Hazard. Contains crystalline silica, which can cause cancer. Risk depends upon duration and level of exposure to dust generated from sanding surfaces or spray mist. WARNING: This product contains a chemical known to the State of California to cause cancer. FIRST AID: EYE CONTACT: Flush thoroughly with water for at least 15 minutes. If irritation persists, get medical attention.* IF INHALED: If affected by vapor or spray mist, move to fresh air. If breathing difficulty continues, get medical attention.* IF SWALLOWED: Drink 2 glasses of water. Get medical attention immediately.*
*Call poison control center, hospital emergency room or physician immediately.
